*As a result of the current COVID-19 virus epidemic emergency, the convening at one location of a quorum of the Board is difficult or impossible. Therefore, the Board will conduct this meeting by teleconference and video conference rather than by physical quorum pursuant to Texas Government Code Sec. 551.125 and guidance of the Governor of the State of Texas. Members of the public are entitled to participate and address the Board during the meeting either via teleconference or video conference. In all respects, this meeting will be open to the public and compliant with applicable law and guidance of the Governor of the State of Texas.
