DEPOSIT AND SERVICE AGREEMENT

ALL NEW DEPOSIT SERVICE AGREEMENT MUST BE ACCOMPANIED BY A VALID GOVERNMENT ISSUED ID AND A COPY OF YOUR RENTAL/OWNERSHIP AGREEMENT.

I. PURPOSE. Ft. Bend County W.C. & I.D. No.2 is responsible for protecting the drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this service agreement is to notify each customer of the plumbing restrictions to ensure the public health and welfare. Each customer must sign this agreement before Ft. Bend County W.C. & I.D. No.2 will begin service. In addition, when service to an existing connection has been suspended or terminated, the water system will not re-establish service unless it has a signed copy of the agreement.

II. PLUMBING RESTRICTIONS. The following undesirable plumbing practices are prohibited by State regulation:

- A. No direct or indirect connection between the public drinking water supply and a potential source of contamination exists. Potential sources of contamination are isolated from the public water system by an air gap or an appropriate backflow prevention assembly.
- B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or a reduced pressure-zone backflow prevention device.
- C. No connection that allows water to be returned to the public drinking water supply is permitted.
- D. No pipe or pipe fitting which contains more than 0.25% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
- E. No solder or flux which contains more than 0.2% lead can be used for the installation or repair or plumbing at any connection which provides water for human use.
- F. All plumbing connected to the public drinking water supply shall be installed pursuant to the regulations set forth by the latest edition of the District's Construction Standards and the Standard Plumbing Code.

III. SERVICE AGREEMENT. The following are the terms of the service agreement between Ft. Bend County W.C. & I.D. No. 2 and

- A. The Water System will maintain a copy of this agreement as long as the Customer and/or the premises is connected to the water System.
 - B. The Customer shall allow his property to be inspected for possible cross-connections and other unacceptable plumbing practices. These inspections shall be conducted by the Water System or it's designated agent prior to initiating new water service; when there is reason to believe that cross-connections or other unacceptable plumbing practices exist; or after any major changes to the private plumbing facilities. The inspections shall be conducted during the Water System's normal business hours.
 - C. The water System shall notify the Customer in writing of any cross-connection or other unacceptable plumbing practice which has been identified during the initial inspection or the periodic reinspection.
 - D. The Customer shall immediately correct any unacceptable plumbing on his premises.
 - E. The Customer shall, at his expense, properly install, test, and maintain any backflow prevention device required by the Water System. The originals of all testing and maintenance records shall be provided to the Water System.
- IV. ENFORCEMENT. If the Customer fails to comply with the terms of the Service Agreement, the Water System shall at it's option, either terminate service or properly install, test, and maintain an appropriate backflow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the customer.
